UPDATE ON THE COMMA-DELIMITED FILES

AHCCCS Information Services Division is currently coding and testing the Comma-Delimited File, System Service Request, for Reinsurance Reports. The proposed scheduled promote for the Comma-Delimited Files to the AHCCCS FTP is the end of November with the reports available in December. Reinsurance reports that will be available in this format are,
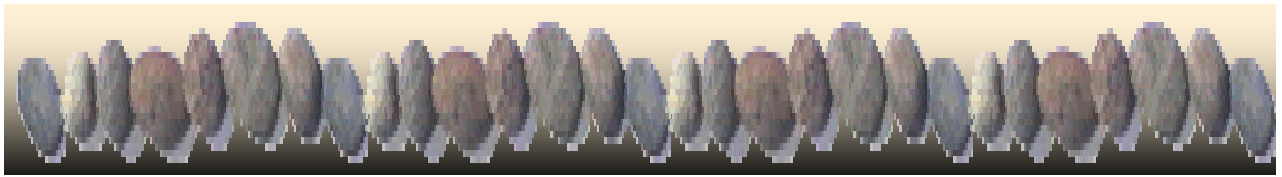

RI91M100 RI Case Reconciliation Report
RI91M105 RI Case Summary Report
RI91M315 RI Case Initiation Report
RI81M310 RI Remittance Advice

They will also be available in the current format.

"A610"
RI Approved Amount > HP Paid, Total Billed or AHCCCS Allowed

Effective October 1, 2005, A610 was turned on as a hard edit for Reinsurance. A610 will be worked by the AHCCCS Reinsurance Unit.

"R800"
PPC Enrolled Recipient not eligible for Acute Reinsurance
Effective 10/01/05 the Reinsurance Edit R800 has been turned on for the AHCCCS Program Contractors

Encounters with reported PPC DOS will no longer be associated to the recipients Acute Reinsurance Case.
